The day that you left us dear Daddy O' Mine All the joy from our lives seemed flown

Among the Stars at the

5KA HAPPINESS CONCERTS

There is always a happy atmosphere prevailing at the 5KA Happiness Concerts. Why? Because the very keynote is happiness and everyone is assured of a jolly good time. 5KA are extending the Happiness Concerts to Norwood.

A Happiness Concert will be held each Wednesday evening in the Norwood Town Hall. Laugh all your troubles away. Come along to 5KA and get that happiness feeling.

ADELAIDE TOWN HALL

The 5KA Happiness Concerts at the Adelaide Town Hall on Monday nights have become the most popular entertainment in town. Last week's programme introduced one of the funniest acts ever presented. This was a nautical sketch by Harry Jarvis and Cyril Hare, in which Ruth Langman gave a demonstration of the Sailors' Hornpipe.

WEST'S THEATRE

The mid-day Happiness Concert conducted every Friday at West's Theatre has become extremely popular, especially with week-end shoppers, as it provides them with a very pleasant interlude. A special feature of these Concerts is the service introduced by the Cheer to the Lonesome. This provides transport for invalid listeners to West's Theatre, and if you know of any invalids who would appreciate these Concerts, get in touch with Cousin Dora.

PORT ADELAIDE

The Port Adelaide folk attending the Happiness Concerts every Tuesday night continue to be well entertained. Next Tuesday night will see another evening of bright singing and an array of artists which will merit the approval of all present.

HINDMARSH

Singing! Laughter! And Happiness! These are the keynotes of 5KA Happiness Concerts in the Hindmarsh Town Hall every Thursday night. The very best of entertainers, together with the 5KA staff, provide a night of the most enjoyable entertainment, and the popular conductors include Uncle Andy, Cousin Dora, and Harry Jarvis. Uncle Mick and Willie Chinaman also provide a very amusing interlude.

So raise your voice and make your choice the 5KA Happiness Concerts.
